

January Monthly Ham SIG Meeting

DATE: Friday, January 24th, 1:00 PM

LOCATION: Cimarron Building, Agua Fria room

Discussion Topic: Final Preparation for Winter Field Day

We will be discussing our final plans for our Winter Field Day including:

- 1) Winter Field Day contest rules
- 2) How to use N1MM logging program
- 3) Setup: Stations, Antennas, Power
- 4) Stations Operating Plan
- 5) Public officials attending
- 6) Teardown

The actual setup for the event will commence immediately after the meeting.

Our special event callsign: N7G
